A Monthly Insight Into Our Syracuse City Community

## MAYOR'S MESSAGE

As we come into the Thanksgiving season, some thoughts have been going through my mind that I would like to share. We have witnessed instantly, through our worldwide news connections, the disasters that have happened in Texas from Hurricane Harvey, in Florida from Hurricane Irma, and in Puerto Rico from Hurricane Maria. Mexico has been hit hard with earthquakes, Nepal with mudslides, and California with massive fires. Thousands of people have lost their lives and millions are struggling with starvation and loss of property. We should remember them with a lifting hand of service and do what we can to help those who are struggling.

How well prepared are we if similar disasters were to hit Syracuse? Preparation comes physically and mentally. Do we have a plan? Do we have the items that would be most important to help ourselves and our neighbors? Have we been CERT trained so we have the basic skills needed to handle the needs of our family and help our community during a natural or man-made disaster? See [www.syracuseut.com/Departments/EmergencyServices/FireDepartment/CERT.aspx](http://www.syracuseut.com/Departments/EmergencyServices/FireDepartment/CERT.aspx). Currently, the disaster preparedness committee is working on plans to help citizens to be more organized and prepared.

May we remember the great blessings that we have as we prepare for Thanksgiving and share those blessings with our loved ones.

~Mayor Terry Palmer

## POLICE DEPARTMENT

You may have noticed the new traffic control lights above the crosswalk on 2000 West in front of Syracuse Junior High School. The lights, known as a HAWK (High-Intensity Activated CrossWalk), are designed to help pedestrians get across the street safely by letting drivers know there is someone waiting to cross. When a pedestrian pushes the button to activate the signal, the lights over the crosswalk begin to flash yellow; this alerts drivers to slow down. A solid red light then activates, along with a "walk" sign, indicating to pedestrians that they now have the right-of-way; pedestrians should still make sure it is safe to cross before entering the crosswalk. Once the "walk" phase is complete, the lights flash red; this alerts drivers that they still need to stop, but can proceed once they have determined there are no pedestrians in the crosswalk. When the lights are off, drivers are not required to stop at the crosswalk. Helpful link to a video that shows proper use of a HAWK signal <https://youtu.be/E4WgCHLRPGU>. For more information, you can also visit [www.udot.utah.gov/sr108/](http://www.udot.utah.gov/sr108/)

Drivers	Pedestrians
Proceed with caution	Push the button to cross
Slow down (Pedestrian has activated push button)	Wait
Prepare to Stop	Continue to wait
STOP! (Pedestrian in crosswalk)	Start crossing
STOP! Proceed with caution if clear	Continue crossing (Countdown signal)
Proceed if clear	Push the button to cross

## FIRE DEPARTMENT

### Home Smoke and CO Detector Safety

During the fall and winter season one of the most common calls for the fire department is for beeping smoke or carbon-monoxide (CO) detector alarms. You can prevent false alerts from your smoke and CO detectors with some easy preventive maintenance, and make your home safer at the same time! To **maintain** your smoke and carbon monoxide detectors, use your vacuum with the hose attachment, and brush around the outside of each one to remove any dust or spider-webs that have collected there. Replace the battery if needed. Replace the detector if it is **older than 10 years**.

These are life-saving safety devices that we have come to depend on, but they are only as good as the maintenance they receive. By maintaining the alarms in your home, you will decrease the incidence of false alarms from your detectors. When fire breaks out, every second counts to escape its heat, black smoke, and deadly gases. Carbon monoxide is a poisonous gas that fuel-burning heating and cooking devices often produce. It is often called the silent killer because it is odorless and colorless.

If you have questions about testing or servicing your smoke or CO detectors in your home, contact us at the Syracuse Fire Department at 801-614-9614.

**Don't forget to change your clocks back and replace the batteries in your smoke detectors**

## COMMUNITY NEWS

### Decoration Volunteers Needed

Volunteers that would like to help put up Holiday Decorations throughout the City this year, please contact Tess Jones at the Community Center 801-614-9655.

### HOLIDAY TOY DONATION

Syracuse City will be sponsoring our annual toy donation drive for local children. We will be working with local schools to help bring gifts to children in need within our great community. Toy collection bins will be located inside City Hall from **November 20<sup>th</sup> through December 15<sup>th</sup>**. Please bring new, unwrapped toys for this great cause that will surely bring joy to less fortunate school children. A list of needed items will be available at City Hall. Questions call us at 801-825-1477.

### PUBLIC WORKS

UDOT road construction updates for 2000 W Road Project [www.udot.utah.gov/sr108](http://www.udot.utah.gov/sr108)

**Tree Trimming:** This is a good time of year to trim trees along the roads and sidewalks. Remember the 7/11 rule for trimming clearance: 7 feet above the sidewalk and 11 feet above the street. Thanks to all that help sweep and clean up gutters and storm grates before winter approaches. As leaves begin to fall, look for ways to help those needing assistance with raking, sweeping, and preventing leaves from going into our storm drains. Thank you for making this community look great!

### UTILITIES

**Meter Reading:** October was the last month the meters were read for the season. The bill received in November will reflect this final read. Meters will be read again beginning in April 2018. Between November through March, residents are charged \$16.85 each month for water. The May 2018 bill will reflect charges for any water that is used over 8,000 gallons each month. For info contact the Utility Department at 801-825-1477, Option 1.

**Green Waste:** Green waste season ends on November 30, 2017 and resumes again April 1, 2018. During the months of December - March you may use your green can for regular household waste.

### Syracuse City Arts Council

Thank you to everyone who attended and participated in the Syracuse Symphony Orchestra concert in October. Your support is always greatly appreciated. Their next free concert will be on December 4<sup>th</sup>, at 7pm, in the Syracuse High School auditorium. This performance is sure to be another fan favorite with the addition of a choir. The Orchestra welcomes all experienced singers to join them in a fun piece entitled, A Musicological Journey Through the 12 Days of Christmas. Email [orchestra@syracuseutaharts.org](mailto:orchestra@syracuseutaharts.org) for rehearsal information.

A big thank you as well to all those who supported and enjoyed the Fall Family Breakfast and Costume Candy Walk, especially the Syracuse City Youth Council, Chelle's Floral, our Syracuse Walmart and the City's Recreation Department staff for their help in making it such a success.

There are two 5-year terms still vacant on the Arts Council Board. If you would like a fun way to serve your community and promote its culture through the performing arts, email a letter of interest to [volunteer@syracuseutaharts.org](mailto:volunteer@syracuseutaharts.org). Board meetings are usually held the first Wednesday evening of each month. These meetings are open to the public, and visitors and input are always welcome.

### BUSINESS LICENSES

Business License Renewals are **due December 31, 2017**. Late fees will start to accrue January 31, 2018. If you did not receive your renewal letter, have misplaced it or would like to make a payment by phone please call the Business Licensing Dept. at 801-614-9627.

Passport application processing services are offered at City Hall between **9am- 4pm**, processing takes approximately 20-30 minutes per application. Walk-ins are served in the order of arrival, multiple applications and/or photos wait times may be longer. **All required forms, photos and payment must be completed prior to 4pm to be accepted the same day.** Applications can be found on the [www.travel.state.gov](http://www.travel.state.gov) website. Application fees **must be paid** with a **Check or Money Order** made payable to the **U.S. Department of State**. More info available on our website [www.syracuseut.com/Passports](http://www.syracuseut.com/Passports)

### Syracuse City Municipal Elections

The Syracuse City General Election will be held Tuesday, November 7, 2017. All registered voters should have received their by-mail ballot; if you did not receive a ballot and you believe you are registered to vote, please contact the City Recorder. Ballots can be returned by-mail, to a ballot box located within City Hall, or to the Community Center on Election Day. Those wishing to vote in person rather than vote-by-mail will have the opportunity to cast their ballot on voting machines on Election Day; polls will be open from 7:00 a.m. to 8:00 p.m. at the Syracuse City Community Center, 1912 W. 1900 S. In order to vote in person, a registered voter must surrender their mailed ballot.

The positions of Mayor, two 4-year City Council, and one 2-year City Council are up for election. Based on the results of the Primary Election, those candidates whose names will appear on the General Election ballot are as follows:

#### Mayor:

Michael L. Gailey

#### Four-Year Councilmember Seat:

Corinne N. Bolduc

Jordan Brandt Savage

#### Two-Year Councilmember Seat:

Jason Lyman Henrie

Douglas Peterson

Additionally, the General Election ballot will include a ballot question regarding the authorization of a Recreation, Arts, Park (RAP) Tax to be charged on purchases in Syracuse City. A voter information pamphlet regarding the ballot question was mailed to all households in the City and is available on the City website.

The Davis County Clerk's Office has created a voter information website, which includes information about voting in Syracuse City as well as information about candidates seeking office and the RAP tax ballot question. The link to the website is [www1.daviscountyutah.gov/clerk-auditor/elections2/candidate-information#syracuse](http://www1.daviscountyutah.gov/clerk-auditor/elections2/candidate-information#syracuse)

Any questions regarding the Syracuse City Municipal Elections can be directed to the City Recorder, Cassie Brown at 801-614-9633 or [cassieb@syracuseut.com](mailto:cassieb@syracuseut.com)

## CODE ENFORCEMENT

As we approach the winter months please be mindful of snow removal on sidewalks and on-street parking of vehicles.

### VEHICLES WILL BE SUBJECT TO TICKETING DURING SNOW REMOVAL

#### SCC 11.20.020 Off-street parking during winter months.

To allow for the orderly and timely removal of snow during winter months, it shall be unlawful to park any vehicle within the public right-of-way of any street within the corporate limits of Syracuse City at any time during the accumulation or removal of snow unless special permission is granted by the Syracuse Police Department. (Class C misdemeanor)

**SCC 4.05.060 Street and Sidewalk Cleanliness (A)** It shall be the duty of the owner or occupant of private property fronting upon a public sidewalk to keep the sidewalks in front of such property free from dirt, litter, snow, ice or obstructions. In the case of snow and ice removal: (i) Snow and ice must be removed from the sidewalk within 24 hours from the end of each snow storm.
